Guests gather in front of the Chalet Lounge at Lake Valley Resort as the grand opening was held last week for the residents of this area to inspect the many features at the 750 acre all-season resort. This week many from all over the state will inspect Lake Valley.

An exciting holiday spirit prevailed at opening ceremonies held at Lake Valley Resort's Chalet last Saturday when an overflow of guests jammed into its beautiful appointed cocktail lounge and dining room throughout the afternoon and evening hours.

Invitations to the Saturday opening were confined to Crawford County residents as a preliminary to perfecting services and facilities for full-scale operation, explained Art Hagman, owner and sponsor of the resort program. "We know there is much to be learned about a new business venture and we will try to incorporate the best examples of successful resort and club operations learned from such facilities as Hidden Valley, Bloomfield Hills Country Club, Boyne Mountain and other all-season and summer vacation resorts," he said.

Lake Valley Resort is considered one of the most complete facilities of its kind in Michigan. The property includes two nationally scenic, private lakes, with two other lakes and streams and the AuSable Forests bordering on three sides. Its wooded hills and valleys offer ideal settings for all-season vacationing, hunting, fishing, skiing and other recreational activities.

Buildings at Lake Valley include a ski lodge, with a huge central fireplace and snack bar with seating capacity for 120 persons. The lodge will be used during evening hours as a teen-club lodge providing chaperoned dancing parties and entertainment for the younger set. Music will be piped from the lodge to adjoining ski runs and lighted skating rink. The cottage ski shop provides rental toboggans, ski outfits, snow boots, sleds and miscellaneous equipment.

The Chalet Lounge, located on a high hill, overlooks the two private lakes and miles of surrounding woodlands. The beautiful Chalet is designed for dining and cocktail service and to accommodate small conventions and meetings. Larger group meetings will be promoted in collaboration with the Chamber of Commerce and regional hotel and motel operators. The mahogany paneled walls and wrought-iron furniture of the dining area contrasts with the pastel colored block and brick of the cocktail lounge.

The Hilton-Motel, with a maximum capacity of 40 people, will be completed within a few days. Its naturally gabled and beamed ceilings offer an original design in motel construction.

In blueprint stage, and to be completed before the resort is opened, is a combination stable and garage facility for riding horses, automotive and tractor equipment.

Lake Valley Resort will provide guides, recreational instructors and chaperons as needed during the various seasons of the year, according to Robert Fisher, resort manager. The Fishers, of Lansing, formerly operated the Monroe Auto Equipment Company's private club lodge on Lake Erie.

According to local reports, several business and professional people have already suggested that the beautiful resort property, consisting of some 150 acres of lakes and woods, be developed as a semi-private club, similar to that of Otsego Ski Club of Hidden Valley in Gaylord.

Hagman has agreed to develop a plan, providing local bank officials and similar Grayling business executives will assume responsibility for screening prospective club members from the local area.

A Teen Club program at Lake Valley is also in the offing, according to Hagman, as a result of requests from Grayling and Kalkaska high school students, seeking broader social and recreational facilities under helpful supervision.

"Public desire will guide us in all future developments at Lake Valley," explained Hagman, "and especially those expressed by Grayling people who have accepted our initial efforts with such a warm demonstration of cordial welcome and encouragement."

Game Law Violation Brings Heavy Terms

Two Grayling residents found out last week that it is quite expensive to hunt deer out of season and that it is also quite expensive to be caught. Both of them were arrested last Thursday night by Conservation Officers Clarence Roberts and Russell Wright for unlawfully killing, possessing and selling a deer.

The men appeared before Justice of the Peace Art Clough Friday morning with Wakeley entering a guilty plea for unlawful possession and sale.

Justice Clough gave each man a \$50 fine and costs for the unlawful sale charge. Both men must serve an additional 30 days if the fines are not paid.

Harvey, on the charge of illegal possession, was given a further 45-day jail plus fines of \$25 and costs for the 30-day jail sentence. Wakeley, also, received a speeding ticket on September 26 from the City of Grayling Police. He had not reported on the ticket when he was in Justice Court.

Justice Clough as well as cancelled for three years the hunting privileges of both of the men.

Eisenhower, Williams Easy Winners

Highly State-Rated Team Really Rolls

Vikings Windup Grid Season-Take 80 To 0 Defeat At Boyne City

One of the highest rated Class C football teams in the state, the Boyne City Ramblers, had an easy time in rolling to an 80 to 0 win over hapless Grayling at Boyne City last Friday night to wind up their season with seven straight victories.

Boyne wrapped up the Northern Class C Conference title. The Mancelona Ironmen downed Charlevoix 20 to 0 while Harbor Springs dropped Gaylord 28 to 14 and East Jordan eked out a 12 to 7 win over Pellston.

Mancelona and Harbor tied for second in the conference with identical marks of five victories, one defeat and one tie. Harbor's win was third with four victories, two losses and a tie with Gaylord and East Jordan tied for fourth with season records of two victories, four losses and a tie.

The football squad meeting last Monday night after school elected Richard Moore and Don Roberts as the football co-captains for 1957.

The all conference team will be named and the site selected for the conference track meet this coming spring.

Shortly before Christmas last year The Stump carried some comments about the joy the Jack Pine children derived from the daily opening of the windows in an Advent Card. As a result of this column, we found that a great many people had never heard of the Jack Pine children. We were asked repeatedly what they were and where they could be obtained.

This year, Advent Cards will be available in Grayling. Through the courtesy and kindness of Devere Dawson at Dawson's, everyone will not only have a chance to see the various kinds of cards, but will also be able to buy them either from Devere or from a local church group. . . . and at the same price.

Unfortunately, Jack Pine hasn't had a chance to contact all the church groups in town, to show them the wonderful cards and to explain how Dawson's generosity can benefit the churches. But to those groups that I haven't seen, I would suggest that you contact Devere who will explain the situation to you. At the present time, the Ladies Club at St. Mary's and the Mary Ruth Circle at Michelson Memorial Church are both handling the cards. I understand the Mary Ruth Circle displayed these cards at the Family Night meeting on Nov. 7th.

What is an Advent Card? Well, it is an idea originating in Germany many, many years ago. I am told, and has only been imported into this country in the last few years. Hallmark greeting cards, makes the only one I have seen. Basically and fundamentally, the purpose of an Advent Card is to keep the Christian faith before the youngsters during the twenty four days in December leading up to Christmas. And this is accomplished on these cards through the use of little windows which are opened each day. Under the window, or opening, is some sort of Christian reminder of the True Meaning of Christmas. The cards are quite large, highly colored and many cases quite complete. Some have a map of the Holy Land, with various windows to open on the route. Others are large churches with windows to open. Still another has press outs that are inserted daily on a large colorful background. And many more. The prices, both at Dawson's and at the church groups is the same, \$1.00 or 50 cents. The cards are in envelopes for mailing.

It is amazing to me how many people have already ordered these cards, either for use in their own homes or to send to children in other places and other states. They, in no way replace the traditional Christmas card, for they are not a greeting, but rather a beautiful daily reminder that Christmas is not Santa Claus and parties, but rather the birth of the Son of God. . . . a fact that is all too often forgotten. Many of the mothers that we have talked to say, "I don't particularly care one way or the other for myself, but if the kids could only understand what Christmas REALLY means, I would be happy."

To the doubting souls who are looking for the "gimmick", there isn't any. I make nothing out of the deal. Devere makes very little after he pays the cost plus freight and handling, but the church make a little money and the people who receive and use these cards benefit in ways that can't be measured. That's the "gimmick".

Before I leave that subject, a couple of weeks ago some of these cards were distributed to various people around town who wanted to look at them. We didn't get them until they were sold. I appreciate it very much if those who have them will take them into Dawson's so that everyone can select from the whole line available.

Have a cryptic note in front of me reading, "Cat and four kittens. Part Angora. Mother Slimeless. Phone 4125." Gee, there seems to be a lot of cats around recently. What is particularly distressing about cats in this country is that too often cats are left behind when the owner leaves for the winter. These cats go wild and are fantastically destructive to agriculture and other wildlife. If someone doesn't want a cat, they ought to give it away, but, for the sake of everyone else, don't just abandon it. So much for cats.

Two men were talking and one says to another, "I was dreadfully sorry to hear you buried your wife." "Had to," replied the other. "dread, you know."

Note to My Friend in Jackson: I hope you can find that blank check!

In Lome County Contest, Hunter Re-Elected By 1047 to 861

Nearly 2,000 County Voters Cast Ballots

President of the United States Dwight D. Eisenhower and Vice President Richard M. Nixon appeared to be headed for a national sweep on Wednesday morning with the final results probably topping the 1952 election.

In Michigan, Governor G. Mennen Williams running for an unprecedented fifth term held a commanding lead after piling up huge majorities in Wayne County and other industrial centers. He might carry his state office holders in with him, was the verdict.

In Crawford County's lone contest incumbent Register of Deeds Lawrence "Bud" Hunter won over his Republican opponent James Kolka by a vote of 1,047 to 861. Kolka won South Branch Township by a vote of 63 to 49 but trailed in the remainder of the county. The vote was separated but by a few ballots in Lovells, Beaver Creek Townships, but Hunter rolled up good margins throughout the other precincts.

Nearly 2,000 voters trooped to the polls in Crawford County which should set a new voting record. The total was "over 100 more than in the 1952 presidential election."

County voters gave Eisenhower-Nixon ticket 1380 to 847. For Stevenson-Kefauver, Detroit's Mayor Albert E. Cobo received 1068 to Governor Williams' 857. The remainder of the G.O.P. state office seekers garnered votes in the 1,100's with their Democratic opponents receiving ballots of slight ly over 700.

United States Congressman Elford A. Cedarberg was given a total vote of 1,230 while his Democratic opponent William J. Kelly polled 631. State Senator Charles T. Prescott polled 1248 while Clayton Dishong, the other ticket received 886. Veteran Earl Peltz running for re-election to the State Legislature from the Presque Isle District polled 1214 votes to 621 for his Democratic opponent, Edward A. Woodward.

County officers, all Republicans except Register of Deeds Hunter and all incumbents except Prosecutor Ward Ellison, won with votes of over 1,300.

On the non-partisan ticket, County voters gave 786 to Talbot Smith to 712 to Michael D. O'Hara for the short term of the Supreme Court of Michigan while they favored George Edwards with 875 to 550 for John Simpson for the long term on the Court. Beulah Neafie running unopposed for re-election to the office of Probate Judge of Crawford County received a vote of 1,449.

The four classes of Grayling High School went to the polls in a mock election Tuesday handled by the Senior Economics Class under Art Thayer instructor. The students turned in a 158 to 20 vote for Dwight D. Eisenhower and Richard Nixon over Adlai Stevenson and Estes Kefauver. For Governor, the students favored Albert E. Cobo over G. Mennen Williams 102 to 82. In the lone county contest, the school children voted 101 for Republican candidate James Kolka to incumbent Register of Deeds Lawrence Hunter's 82. The students favored the passage of the Constitutional amendment by a 120 to 24. The students favored Michael D. O'Hara and George Edwards as members of the State Supreme Court by narrow margins. They re-elected all county incumbents and gave Republican state office seekers a large majority.

Chamber Receives Regrets From One Who Couldn't Make Annual Meeting

At least one citizen thought
enough of the annual meeting of the
Crawford County Chamber of
Commerce to write regrets for
not being able to attend, according
to Chamber secretary-manager
Robert Hayes.

A letter from Mrs. Bertha Williams
was received at the Chamber
office the next day following
the meeting. Mrs. Williams stated
"Your notice of the open meeting
was received and I am sorry that
I didn't get to attend. But I am
unable to walk that distance and
back. I contacted different ones
but they had other places to go.
As it seems there is so much that
comes all on certain evenings, and
one interferes with the others.
However I would like to have
attended the meeting had I have
had a way to get there outside of
walking."

Secretary Hayes immediately
wrote a letter back to Mrs. Williams.
In part the letter stated:
"Thank you for your letter explaining
your absence. You may

be assured that on the next open
meeting of the Chamber, a phone
call to this office will provide
your transportation."

"It is particularly gratifying to
the Chamber board and to myself
to know of an individual who has
the pride and interest in her city
and county to keep herself informed
of the Chamber's activities. We
had two hundred members plus
the rest of the residents of
Crawford County with your in-
crease, I would be working for the
best Chamber of Commerce in the
U. S."

1956 Farm - City Week . . .

Last year saw the first observance of Farm-City Week. By any standard, it was a great success. Kiwanis International was the spearhead group. Some 400 national and regional organizations participated through their various local branches. Practically every community in this country, along with many in Canada, witnessed observances. More than 250,000 people were actually involved in carrying on the activities. Just about everyone on the North American continent read the Farm-City Week story, due to the excellent coverage provided by newspapers, radio, and TV. To frost the cake, the 1955 observance of the Week was selected for the distinguished public service award by the Freedoms Foundation at Valley Forge.

Now the second annual observance of the Week is on the horizon — November 16-22 is the time. Kiwanis will again do the spearhead work in most communities, and this year's observance, it would seem, is to be even bigger and better than last year's.

The purpose of the Week is as admirable as it is simple. It is to "bring about better understanding between the urban and rural segments of our society." Through this understanding, it is hoped, will come the realization by farmers and urban people that neither is self-sufficient, that the two groups are interdependent, and that "every city or house divided against itself shall not stand."

It would take pages to list all the organizations which are sponsoring the Week and cooperating to put it over. There is a national Farm-City Week committee with 73 members, made up of representatives from governmental agencies, service and agricultural organizations, industry and business, trade associations, farm publications, and so on and so on. Branches of such bodies will carry on the observance on the local level.

These observances, naturally will vary somewhat from community to community. But there is a general pattern which is national in its scope. Businessmen will tour farms, rural residents will tour cities and factories, and there will be joint tours with both groups going together. Meetings of farm and city people will feature fellowship and the exchange of pertinent information concerning particular problems the two groups face. There will be one-day interchanges, in which city folk will spend a day on the farm, and country people a day in the city. Demonstrations of new farming techniques will be a feature, along with displays of agricultural products. Church services will be devoted to the Farm-City Interdependence theme. Also, there will be what is known as "high-visibility" projects. As an example, last year a Vermont country family changed places with a New York City family for the week, and pictorial, editorial and broadcast coverage was given every phase of the life of each group for the entire period.

All in all, it's a big job — for a big cause.

The Board of Supervisors in special session Wednesday elected Rufus Edmonds to succeed C. J. McNamara as a member of the County Board of Road Commissioners. Mr. Edmonds is a resident of Maple Forest and has represented that township on the board of supervisors for several years. He is energetic and capable and knows county conditions very well and should be a able member of the board. In assuming this new responsibility it will be necessary that he resign from the office of supervisor.

There is being greater interest taken in basketball this year than ever before. There have been two intramural leagues formed and another one in the process of forming. The 6th, 7th and 8th grade boys have formed a league of six teams, with Leo Lovely as coach of the White Sox; Harold Smith, Wildcats; George Hanson, Flashers; Clyde Borchers, Yankees; Donald Smock, All-Stars; and Jerome Brady, Giants. The girls have also chosen a league which involves all girls interested. The following have been chosen as captains of teams, and the schedule arranged: Nina Lovely, Celeste Neal, Virginia Skingrey, Helen May.

Louis Johnson and son Billy, of Saginaw, were Sunday callers at the home of Mrs. Alex LaGrow, and family.

Mr. and Mrs. B. J. Callahan and son Jack were Gaylord callers last Friday.

Miss Wirtanen left Friday for Waukegan, Ill., where she plans to stay for an indefinite time.

Mrs. E. J. Olson and Mrs. E. L. Sparkes left Wednesday to attend a meeting of the administrators and commissioners of the Federal Emergency Relief Commission in Lansing.

Clarence Johnson had a thrilling experience and, perhaps, a narrow escape from serious injury when his car struck and killed a cow near Eldorado Tuesday evening. He says that he was on his way from Luzerne to Roscommon and just as he was coming over the crest of a steep hill he discovered four cows in the road. There wasn't time to stop for the critters were near the top of the hill and he struck one of them. His radiator, fenders and windshield were demolished. He says that he did not learn who is the owner of the cows.

Mr. and Mrs. George Granger of Lansing spent the weekend here visiting their parents, Mrs. Celia Granger and the George.

Stephans. They were accompanied by Miss Mildred Corwin, who visited her parents, Mr. and Mrs. Nels Corwin.

They couldn't keep it a secret so now many friends of Deputy Sheriff Frank May and Bill Harrison have heard about their thrilling ducking in the AuSable River one day last week. They were duck hunting on the AuSable and, unlike experienced boatmen, they let their boat drift under a sweeper and both were brushed into the water, near School Section Lake outlet. Of course they got wet, but fortunately recovered their guns by making a second dive to the bottom of the chilly river water. They recovered their boat and continued the trip down the river where Sheriff Bennett was waiting to take them back to Grayling. The Sheriff was puzzled to know what made their clothes so wrinkled.

Mr. and Mrs. A. J. Joseph have as their guest this week the latter's sister, Mrs. Marion Burch, of Traverse City.

Mrs. Ellen Failing, Mrs. Earl Wood and son Ronald, Mr. and Mrs. Esbern Olson and son Esbern Jr., spent Sunday in Saginaw where they visited Mrs. L. J. Douglas, who is a patient in Saginaw General Hospital.

Snow shovels were much in evidence Wednesday morning when about 18 inches of snow covered the ground. The air was still and the snow heavy so there was no drifting, and traffic on US-27 continued uninterrupted. Downtown merchants were confronted by a task of snow removal that was larger than usual at this time of the year.

The Grayling Band will soon move into its new headquarters in the rooms over Conine's grocery store. The rooms are now being redecorated, cleaned and put in shape for occupancy. The new

quarters will afford more floor space and locker room, than the present location. Band members are eagerly anticipating the first practice in the new hall.

M. Russell E. Bates, who for three years has been stationed at Michigan State College as military instructor, was quite surprised last week when he was notified to report for duty at Camp Peary, located on Long Island near New York City. Further instructions were that he would be transferred soon from there for foreign service. Just where that will be he does not know but it is very probable that it will be in the Philippines, Panama or Hawaii. He already has served two years in the Philippines, before being appointed to M. S. C. Emerson, we know him here at home, is the son of Postmaster and Mrs. M. A. Bates. He is a graduate of West Point in 1925 and has made an enviable record as an officer.

Mr. and Mrs. Al Wismer, of Buffalo, N. Y., he being superintendent of the Fisher Body Co. in that city, were in Grayling for the weekend, visiting Mr. and Mrs. Walter Cowell.

Mrs. Augusta Walk of Detroit spent last weekend here visiting relatives and friends. She accompanied her brother Emil Kraus, who visited his family over the weekend.

At the home of Mrs. Donald Reynolds last evening when she entertained her card club, Mrs. Wilfred Laurant held the high score for bridge for the Club, and Mrs. James Reynolds won the given prize. The hostess served a delicious two-course lunch. Mrs. Jess Green and Mrs. George Getway of Roscommon and Mrs. Edward King of Flint were out of town guests.

Mr. and Mrs. Ted Stephan will leave Friday for the Shamrock up north of the Straits to spend about three weeks of hunting.

Mrs. Era Wheeler and Mrs. Adolph Peterson left Tuesday for Lansing to spend a couple of days attending Social Service meetings.

Mr. and Mrs. Edward Creque, Jr., and a party of friends, Flint, spent last weekend at the home of Mrs. Creque's parents, Mr. and Mrs. Rasmus Rasmussen.

NAVY'S AMAZING NEW ARCTIC FABRIC
 100% wool built

ALLEN-A THERMAL
 Undershirts & Drawers

The Navy needed a wonder-fabric—warm enough for far-below-zero weather, yet not heavy or bulky. Unusually absorbent to men could wear it indoors or in mild weather without sweating. And 100% laundry-foolproof.

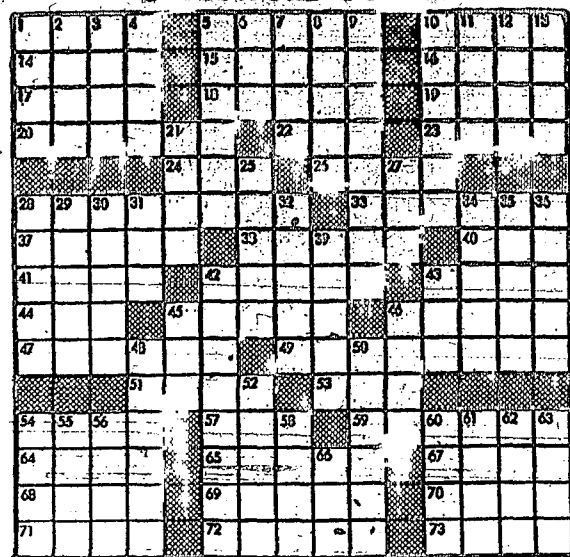

Here's the fabric they developed—in well-made shirts and drawers especially designed for active men. Now you can shed extra layers of bulky, heavy outer clothing—dress lighter, have more freedom.

This new fabric is made of down-soft cotton (doesn't itch), knitted in unique 3-dimension pattern. Trap body heat in thousands of tiny "pockets" for perfect insulation. Rigorously tested for warmth in Arctic conditions. Can be machine-washed, tumble-dried. Won't shrink out of size or stretch out of shape.

Shirts available in long or short sleeves. Chest sizes: S (34-36), M (38-40), L (42-44), XL (46-48). Drawers have taped front for gentle support, elastic waist, and are ankle length. Waist sizes: 30-44.

Cook-Anthony Wed In St. Louis

Miss Sandra Cook, daughter of Mr. and Mrs. Alva Cook, of Alma, exchanged matrimonial vows with Mr. Thomas Anthony, son of Mr. and Mrs. Charles Anthony, of rural Grayling, on Saturday, October 27th, 1956, at 3 o'clock in the afternoon at the First Baptist Church in St. Louis, Mich. The Rev. Charles Yermyer performed the double-ring ceremony before a setting of palms, bouquets of daisies and chrysanthemums, and candelabra on either side, with a scene behind the baptistry. About one hundred twenty-five guests witnessed the marriage. Traditional wedding music was played on the organ by Miss Sandra Cawsey.

Miss Allevia Acker sang "At Dawning," and because of the bridegroom's father, was dressed in a floor-length nylon and lace gown. The bride was Chantilly lace over satin, trimmed with white sequins and white net over satin, had two rows of Chantilly lace ending at the bottom in a flurry of fine nylon pleats. Her fingertip veil was held in place by a braided silver and white band. She carried a white Bible, with a bouquet of tiny pink roses and white carnations with bows on the satin streamers.

Miss Grace Conell of Alma was the maid of honor. She wore a strapless gown of pale lavender nylon net, with a net stole. She carried a cascade bouquet of pink poms and white daisy poms. The flower girls were Miss Beck Jo Cook, niece of the bride, who was dressed in pink taffeta with nylon trim, and Miss Karen Anthony, niece of the groom, who wore aqua taffeta with nylon trim. Both of the three-quarter length gowns were made of tulle. The flower girls carried baskets of pink carnations.

Michael Anthony, nephew of the groom was the ring bearer. The groom's mother wore dusty blue with black accessories, and a similar corsage. A reception was held in the church basement following the wedding. The bride's cake featured a 4-tiered wedding cake with a white frosting. The cake was encircled with greenery, and flanked on either side with white tapers. Punch with heart-shaped ice molds, coffee, and groom's cake of brownies were also served. For her going-away attire, the bride wore a dark aqua tweed suit with red accessories. Following a wedding trip in northern Michigan the couple will make their home at 1307 17th Street in Bay City.

The new Mrs. Anthony is a graduate of Alma High School and Mercy School of Practical Nursing at Cadillac. She attended Ferris Institute for three years and spent three years in the service, being stationed in Germany some of the time. Out of town guests were from Detroit, Grand Rapids, Grayling, Roscommon, Marquette and Flint. The International Typographical Union was founded in 1852 and is the first and oldest labor union in the United States.

The wedding. The hall was decorated with white streamers and white wedding bells. A dinner was served by the Ladies of St. Mary's Ladies Club. Mrs. Veronica Neundorff of Midland and Mrs. Vern Reid of Grand Blanc poured. Mrs. Donald Rockelman and Miss Elaine Goss assisted at this table.

The bride's parents held open house from 3 until 11 the afternoon and evening of the wedding. For her going-away attire, the bride chose a brown-tweed dress, beige coat, and brown and orange accessories. Following a trip in Wisconsin, Illinois and South Dakota, the newlyweds will make their home in a brand new house on Badger Street, Trowbridge Park, Marquette.

The new Mrs. Gannon is a graduate of Grayling High School and Nazareth College Division of Nursing and St. Joseph Unit in Flint. The groom attended Sargis High School in Marquette and the John W. McClure School of Forestry and Lumber at Memphis, Tenn. He served two years in the U.S. Marines.

Out of town guests were from Saginaw, Bay City, Mt. Pleasant, Glyndon, Flint, Mt. Morris, Midland, Detroit, Auburn, Grand Blanc, Flushing and Lansing.

McClain (Jean) and daughter Colleen and Maureen, and Sally, all of Detroit, Robert of Flint, and Mr. and Mrs. Joe Brady of West Branch, Mo., Harry Weldman (Monica) of Ft. Worth, Texas, and a son, Michael of Amarillo, Texas, were unable to attend. A son, John, passed away while in high school.

The Brady family has lived in Grayling since 1917. All of the children are Grayling High School graduates and many attended college. All of the boys were in service during World War II. A close knit family, it was said, "Hurt one Brady and you hurt them all."

A family project was a very fine garden. They also managed the Detroit Free Press Agency here for years with Mrs. Brady at the helm. In spite of all of these efforts plus caring for her large family, Mrs. Brady found time to work in and for her church as well as finding time for work on worthy causes in the community. She most richly deserves the honor bestowed upon her.

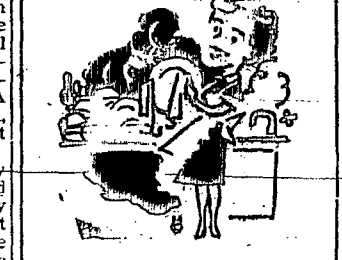

lett of Pontiac, her sister, Mrs. Reginald Nichols of Birmingham. Her brother Earl, and sister, Mrs. Otis Clows, both of Pontiac were unable to be present.
Mrs. Carl Richardson was in charge of the dinner and was assisted by Mrs. Joseph Stille, Mrs. Mary Laidley Club, Mrs. Veronica Neundorff of Midland and Mrs. Vern Reid of Grand Blanc poured. Mrs. Donald Rockelman and Miss Elaine Goss assisted at this table.
